The peace-loving nation of Finland has been attacked by a ruthless and scrupulous army, which army has no consideration for the aged, the young or other non-combatants. The people of Finland have in many ways demonstrated to the people of this country their integrity and fair dealing at all times. In realization of the intense suffering to which Finnish people are being and will be subjected in the months to come we should pray for divine protection for all non-combatants.

NOW, THEREFORE, I, Barlan J. Bushfield, Governor of the State of South Dakota, do hereby proclaim Sunday, December 17, as

FINLAND DAY

and ask all the people of the State of South Dakota to give thought to the suffering of our Finnish friends and ask in your prayers for the divine protection of these people.

DONE AT THE CAPITOL, in the City of Pierre, this 16th day of December, 1939.

Governor
